- 5) OPEN FORUM:
- 6) ADMINISTRATIVE ITEMS/CORRESPONDENCE: Alter suggested nominating Joan Van Ingen for another term at the I-15 board. Coultas suggested that it would be hard to justify an appointment without having advertised the open position as available to the public. Frey pointed out that the I-15 Committee is charged with recommendations regarding the visual impact from the freeway of any new signs or projects. Coultas said he would advertise the opening, with the ad content suggested by Alter, on local bulleting boards, the Union Tribune, and the Franci Newsletter.  
  
Coultas agreed to compose a suggested letter responding to the Parks Department request for our priorities for new parks and forward it to Frey for review, corrections and a signature. Coultas also mentioned that it has been difficult to find a property that qualifies for PLDO funds in Hidden Meadows. Brick suggested that we list all of the proposed projects which have been denied in the past as an appendix.
- 7) PUBLIC REVIEW / ACTION ITEMS:  
  
Hidden Meadows Community Plan – Frey. Continued review of the Community Plan as part of DPLU General Plan project. Frey gave some background about the conflict between the steering committees regarding the final outcome of the Plan. Frey also provided a brief history of our past participation and explained that we have been using the County Community Plan Draft as a guideline for our final document. The new County draft was reviewed a few changes made with the suggestion that those responsible for specific section review them in light of the new draft, especially for Chapter 4. Frey said he would provide it in Word format for editing purposes. It was specifically decided to eliminate the prohibition of gated communities. It was generally decided to pull it all together for finalization at our August 27th Sponsor Group meeting.
